WINTERBERRY PARENT GUILD

Winterberry Parent Guild (WPG) is a parents group with a mission to support the school and its teachers for the betterment of the children attending the school. The WPG comes together to solve problems, promote communications within the Winterberry community as a whole, discuss issues and to help decide where outside financial contributions are best spent.

The WPG is a separate, not-for-profit incorporated 501c3 entity. WPG is a governing body of the school with a responsibility to provide a forum for parents to engage in discussion and vocalize concerns. It coordinates activities with the Winterberry Charter Council and the Faculty Council to complement the school's mission. The Guild shapes the culture of the school, conducts fundraisers and volunteers to support the school's programs.
